**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a current user of a broadband network that provides me excellent internet service. I believe in competitive services and not an overall provider of all these services which could control content, price, and service. I believe it is critical to our homes, businesses and school. It is a vital part of our democratic society.
